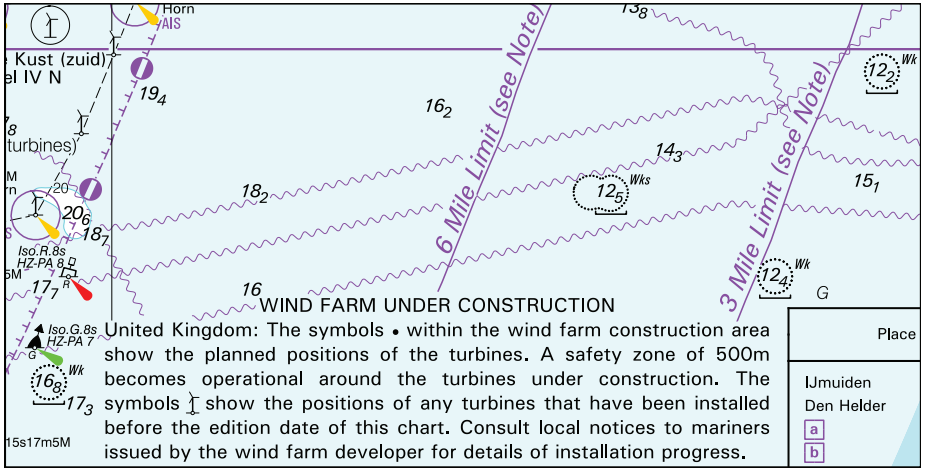
Verbeterblad voor kaart 1631 bij BaZ 94/25 Afm. blad 121,2 x 61,4 mm

Block for chart 1631 to NL NtM 94/25 Size Block 121.2 x 61.4 mm

In position ca. 52-22,7 N 004-21,0 E.



United Kingdom: The symbols • within the wind farm construction area show the planned positions of the turbines. A safety zone of 500m becomes operational around the turbines under construction. The symbols ⌶ show the positions of any turbines that have been installed before the edition date of this chart. Consult local notices to mariners issued by the wind farm developer for details of installation progress.
